BAMKO, LLC NAMED #1 AMONG MEDIUM-SIZED COMPANIES IN THE LOS ANGELES BUSINESS JOURNAL'S ANNUAL RANKING OF THE BEST PLACES TO WORK

SEMINOLE, FL – August 20, 2018 – BAMKO, LLC, a division of Superior Group of Companies™ (NASDAQ: SGC), today announced that it was named #1 in the Los Angeles Business Journal's Annual Ranking of the Best Places to Work in Los Angeles. This survey and awards program was designed to identify, recognize and honor the best employers in Los Angeles. BAMKO makes the list for the second consecutive year in the medium size company category, adding to its recognition from PPB Magazine in 2017 and 2018 as being one of the Greatest Companies to Work For in the promotional products industry.

Companies from across the county participated in a complex two-part survey process to determine the Best Places to Work in Los Angeles. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems, and demographics. The second part consisted of an employee survey to measure the employee experience. When the evaluation was complete, BAMKO was named the #1 Best Place to Work among Medium-Sized Companies (50 to 249 employees) in all of Los Angeles.

"This is an incredible testament to the collaborative and engaging environment we have created at BAMKO. This is one of the most gratifying accomplishments in the history of our company," said BAMKO President, Philip Koosed. "We strive each and every day at BAMKO to be better than we were the day before. We have succeeded by attracting and retaining employees who yearn for growth and love to be challenged. Our culture is our greatest asset and it is all thanks to the many wonderful people we have here at BAMKO.
